PRESCHOOL EVENTS

Climatic Zones

Our enthusiastic explorers grasped and displayed their knowledge about multiple climatic zones around the world. To enhance their learning experience, they even draped themselves according to their respective regions of the globe and presented their research.

Jingling bells all the way...

Ho! Ho! Ho! It's Christmas eve and our little santas are ready to spread the joy. Sparkling in their adorable attire are our tiny ones who beautifully decorated their house and christmas trees with ornate ornaments. Not just that, they also decked up themselves to revel in the merriment.

Carol Singing

'Tis the season to be merry and joyful, and our soulful singers enchanted us with their mellifluous melodies in their vibrant voices.

ADVENTURE TRAIL

Adventure trail was a life-sized representation of the actual teaching which takes place in our classrooms. Our hallways and classes were adorned with gigantic artworks and figures to illustrate the kind of teaching-learning process we incorporate including curriculum based on sensory learning, which enhances their motor skills, hand-leg coordination and encourage the children to investigate and explore.

LITTLE LITTERATEURS

A time

Oh my my !
What's this time of the year I wonder?
Jesus Christ was born with lighting and thunder.

It is Merry Christmas time!
A time where we have to take a break from the grind.

The time where the street is filled with the smell of freshly baked cakes.
The time where frozen are the lakes.

The time where Santa keeps the gift.
And to them the children joyfully lift.

The time where everybody sings and dances together.
Overnight on their feet as lightly as feather.

The time where people relish flavorsome feast,
Bulging out their eyes at the clock the least.

Christmas is the time where kids listen to Christmas rhymes.
The church bells then chime.

Come all for the get together with spouse.
Family time it is in the house.

Open your heart and pocket for all
Distribute and share love with all
and may it be everybody's call!
Everbody's call!

LITTLE LITTERATEURS

Dear Diary

Christmas bell are ringing and Santa will be coming. Yes, I am very happy that Christmas is coming and everybody's favourite Santa will be coming to fulfill their wishes.

This year I do not want any toy gift from Santa but I would really wish that Santa can give me special power, yes the power to read mind of others. I really want this power so that I can find out who are bad people and who is planning to play pranks. Then with the help of Santa I will tell them that doing wrong things to others is good.

LITTLE LITTERATEURS

THE EIGHT JOYS OF CHRISTMAS

Christmas is the best time of the year,
Happiness, cheer, and fun for all the children.

Sleigh bells 'sound in the air,

The treetops covered with the snow
everywhere.

Toys in everywhere long and beautiful trees at
every mall,

Santas' in every home, merry and bright days
ahead in all.

Holly spirits, jolly people to share their talks,
Candy cane lanes, colours of the rainbow to
impress.

Christmas is coming,

Christmas is coming,

Make wishes for some goodies,

And thank God for everything.

Nitya Godara, Grade 5B
