Preschool Events

History came alive when our little creators engrossed themselves and fabricated dinosaurs using varied materials creating an ambience of Jurassic Park.

Dinosaur Making

Preschool Events

Our preschoolers learnt how little chickens were hatched and went through this exciting journey with their teachers!

Best out of Waste

Preschool Events

Rising Water Experiment

Putting their lab coats on, our young scientists conducted experiments in class that enabled them to learn marvels of the Charles' law.

Rising Water

Harvest Festival

To bask in the celebration, the students made connections of Indian harvest festival with the harvest festivals around the world. They dressed up in festive attire celebrating the fiesta.

Bridal Show- Renaissance

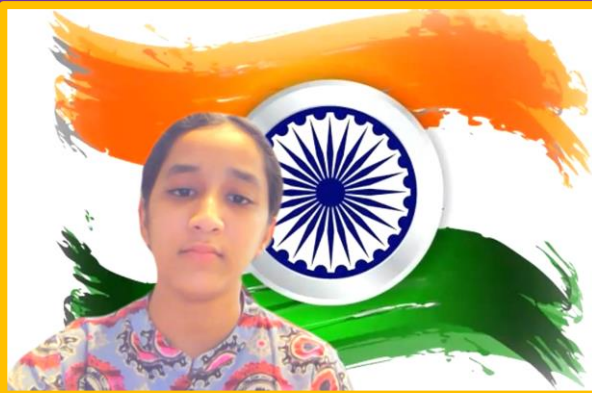

Who said competitions are only meant for students? Donning the traditional bridal dress of their chosen country strutted our enthusiastic teachers looking sublime and vibrant.

Republic Day

This year India celebrated its 73rd Republic Day and what a proud moment and day it was! The day, the streets and every individual donned the tricolours, pride welled up every eye, and it was clear we were all there as one, as part of something bigger than ourselves.

Republic Day

This year too Billabong High International School commemorated the stalwarts and architects of the Constitution of India and put together a show that, through a small skit and music, illustrated that we as a nation, too, are on the global map, and moving abroad should not be the be-all and end-all of our dreams. Success and prosperity adorn every aspect of our new India, and the kids did it justice with the fervent songs and dance.

Here's to another year of our republic, and a future full of possibility

Achievements

Thailand International Mathematics Olympiad

Our child prodigy, Ashmita, has made us immensely proud with her achievement on a National level in Thailand International Mathematics Olympiad and has also qualified for Global level.
